PART TWO

Notes:

This form should be used only by those who wish to make the statements concerning the 'minority religion' of an applicant and religious instruction as set out in the Education (Admissions to Schools) Act 2018. Applicants who do not wish to make such statements should not use this form.

Under the Act you may also include such evidence as you wish to support your own statement. Under the Act, the Board of Management will rely on this form or your statements in order to comply with the legislation and the school's admission policy.

If you have any queries concerning the form of this process arising from the new legislation, please contact the principal of the school.
